Quality Matters**

Fanshawe program quality tops the charts!

*About the KPI survey: In 1998, the Ministry of Training, Colleges and Universities (MTCU) introduced the Key Performance Indicators (KPI) initiative to measure performance in Ontario's publicly-funded colleges of applied arts and technology. The most recent data was collected from June 2017 to March 2018. Fanshawe's full KPI results and the results from all 24 colleges in Ontario can be found at **fanshawec.ca/kpi**.

According to the College Quality Assurance Audit Process, Fanshawe has an excellent and comprehensive suite of quality assurance policies, processes and practices, meeting all six quality standards at "a mature effort." This process is developmental and the audit's intent is to ensure continual improvement. **www.ocqas.org

SIGNATURE LEARNING EXPERIENCE

Fanshawe is creating a new kind of community. Innovation Village is a place to disrupt the norm, push boundaries, collaborate and create. It's where passion is welcomed and supported — to realize potential, solve real problems and grow our economies, all across Canada.

ENTREPRENEURSHIP
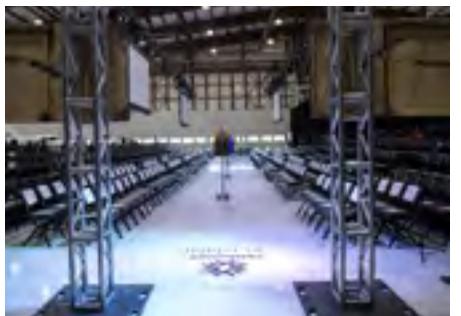

LEAP Junction is Fanshawe's centre for student entrepreneurship. At LEAP, we help students research, plan and develop their business ideas and explore mentorship opportunities.

RESEARCH

Our **Centre for Research and Innovation** links industry, business and community partners with student and faculty researchers to develop innovative research projects with data-driven results.

LIVE CLIENT PROJECTS

By engaging with our community partners, students gain the skills, insights and connections necessary to prepare for their future career.

MULTI-DISCIPLINARY PROJECTS

A big title for a simple concept: bring students from different programs together to work on amazing projects together. Teamwork, critical thinking and communication skills will set you apart from the crowd.

STUDY ABROAD
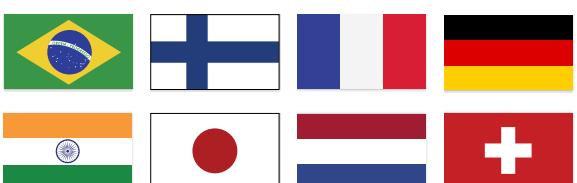

Fanshawe is a proud partner of the Canadian Bureau of International Education (CBIE). This means we have a global outlook that benefits you. We believe international education opportunities provide a valuable experience that not only lets you explore the world but also helps build your resume when it's time to look for a job.

MEDIA & DIGITAL CREATIVE

Become immersed in your media strengths and prepare for the demands of today's media careers. Our programs will make you pour over every pixel and take you from behind the scenes to the front lines, from set to screen and beyond.

WHY FANSHAWE?

▸ Music Industry Arts is the number one music program in Canada, with an outstanding network of Oscar, JUNO and Primetime Emmy award-winning graduates.

▸ Diverse creative, technical and theoretical skills are developed and applied through co-op work terms in London's digital media centre and live-client projects in Reactr, where students work on web and mobile solutions for industry partners.

▸ Our graduates and faculty are leaders in Canada's media industry, including ET Canada's Cheryl Hickey and Sportsnet's Carolyn Cameron, as well as David Latour whose experience in thirteen feature films includes working on the Harry Potter series.

CUTTING-EDGE FACILITIES

Media studios and labs feature industry-leading hardware and software, like Fanshawe's motion capture studio in downtown London, Ontario. The studio's 360-degree cameras create fully-digitized versions of characters that can be designed and implemented in Game Design and 3D Animation and Character Design program projects.

Did you know?

When it comes to media, Fanshawe leads the game. 106.9 "The X" is Canada's first student-run radio station and that's only the start.
